Surrounding tourist information

The C-Route, the tourist route from Uwajima to Cape Ashizuri and Shimanto, is full of sights!

A Dragonfly Nature Park

In the park, rich in natural beauty, walking paths are provided, where you can see rare species of dragonflies alongside flowers of the four seasons.

B John Manjiro Museum

The exhibition showcases the activities of John Manjiro, who traveled to America in the late Edo period, along with his contributions in Japan.

C Kashiwajima

Kashiwajima Island is located in the southwestern part of Kochi Prefecture. You can enjoy diving and sea kayaking in the beautiful sea.

D Ryugushi Coast

It is an eroded plateau made of sandstone from about 20 million years ago, where mysterious rocks and landscapes created by nature spread out.

E The townscape of Iwamatsu

It is a traditional townscape that retains the atmosphere of the Edo period and is designated as an Important Preservation District for Groups of Historic Buildings.

F Yusu Mizugaura Terraced Fields

They are terraced fields constructed by stacking stone walls on a steep slope. They are like a staircase leading to heaven.

G Seawalker

It is an experience where you walk on the seabed and observe abundant marine life. No license is required, and even those who cannot swim can enjoy it.

H Uwajima Bullfighting

Regular tournaments are held four times a year, where you can witness massive bulls weighing over one ton clash with each other.

Taimeshi

A traditional dish from Uwajima City, Ehime Prefecture, where slices of raw tai (sea bream) are placed on rice and served with broth. You can enjoy the fresh umami of the tai.
